

FEBRUARY PATTERN  
**CRAZY VALENTINE**

©1995 LINDA H. SCHIFFER ALL RIGHTS RESERVED

The block for February represents a crazy pieced heart, in honor of Valentines Day. Since the early medieval times, people have celebrated romantic love on the feast day of Saint Valentine, patron saint of lovers. Personalize your block with mementos to remind you of your own special love! <smile>

I have drafted (and numbered) the block for foundation piecing but you can just use the pattern below to make templates for traditional piecing if you prefer.
