

JUNE CALENDAR BLOCK: DADDY'S TIE

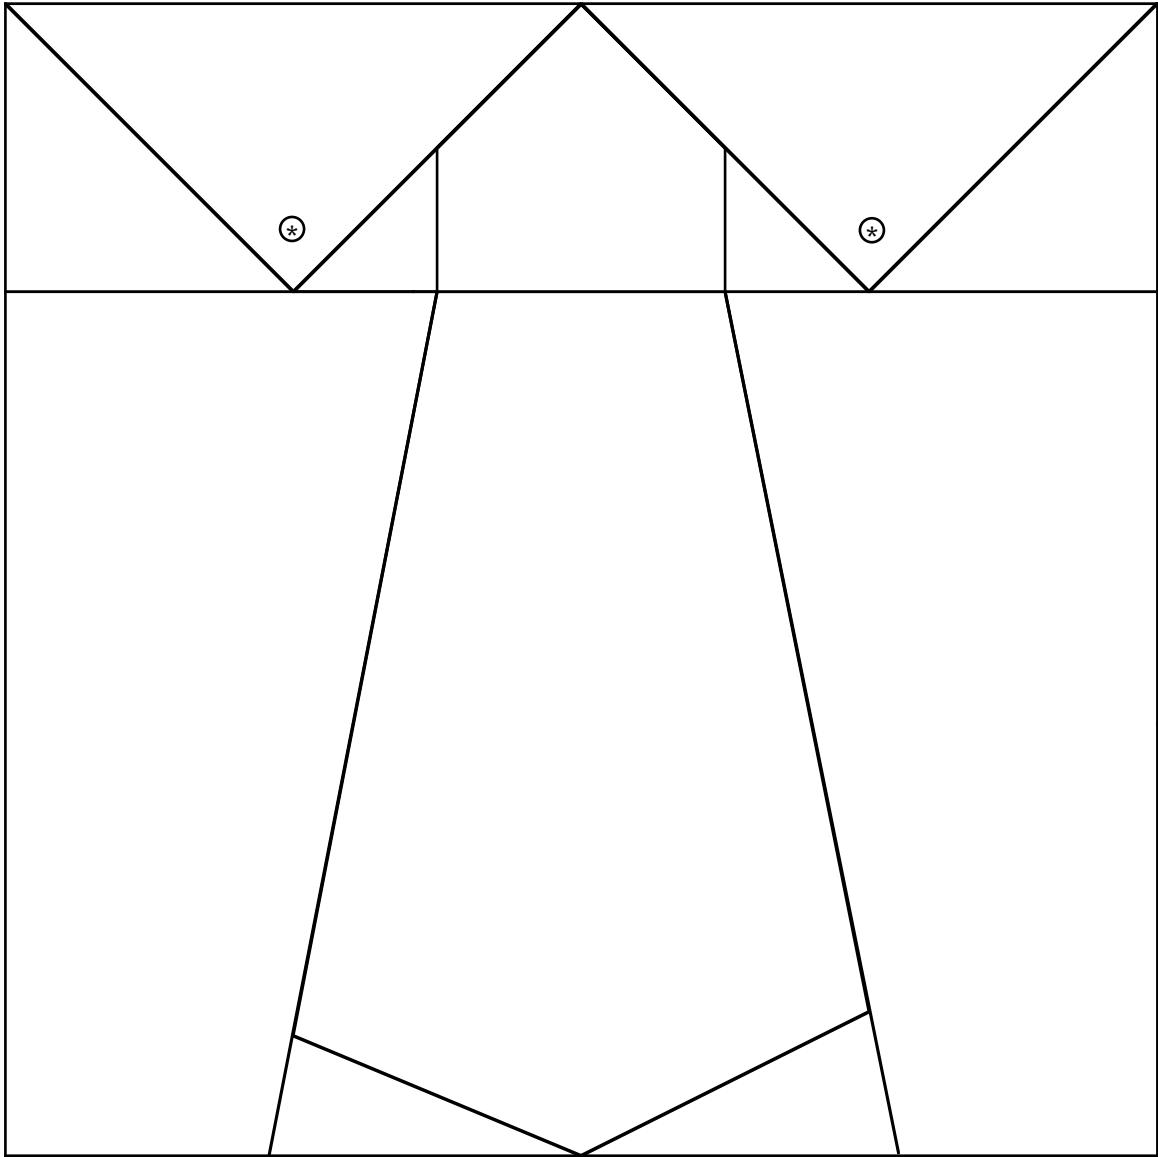

In June, celebrate Father's Day with this cute block which represents the new tie Daddy gets for his special day. Make your Daddy's tie a bright red power one or something conservative in a soft gray paisley. Add shirt buttons to his collar points if he's a button-down kind of guy. Or maybe he doesn't wear ties? Create something nice in a bolo for him, or leave his collar open? Enjoy!
