

DECEMBER PATTERN  
**WINTER PINE**

©1995 LINDA H. SCHIFFER ALL RIGHTS RESERVED

This is one of a number of leaf patterns that I have drafted over the years. If you want to foundation piece pattern, be sure to make the bias stem from a separate piece of fabric and sew it into the seam at the base of the leaf. If you are using this pattern to hand piece, make a template for the stem.

Think of a deep woods setting with quiet snow laying thick over all! It can be day or night in your woods ... or snowing ... whatever setting you like.

Smell the pine trees ... feel the wind ... ENJOY!

I have drafted the block for foundation piecing but you can just use the pattern above to make templates for traditional piecing if you prefer.
